MEMORANDUM OF UNDERSTANDING
between
Federal Correctional Institution (Agency)
El Reno, Oklahoma
and
AFGE Local 171 (Union)
regarding
Installation of Security Cameras
August 7, 2003

This memorandum of understanding constitutes an agreement between the undersigned parties regarding installation of security cameras in the institution.

1. Should bargaining unit staff be assigned to the Camera Monitoring Room, any training issues will be addressed in accordance with Master Agreement Article 21(d)(3). Upon request of the Union president, a designated representative will be given the opportunity to receive similar security camera monitoring training as provided to bargaining unit staff under this section.
2. Bargaining unit staff will be informed of the appropriate supervisor or management official to notify regarding a particular incident or location they believe should be monitored.
3. Upon the installation of additional security cameras, Management will give consideration to placement of cameras in the satellite camp visiting areas.
4. Bargaining unit staff will be allowed to view any camera footage used to propose discipline in accordance with 5 USC 7503 or 5 USC 7513, as applicable.
